## SPRING VILLAGE at DOVER ANNOUNCES OPEN MODEL DATES

Spring Village at Dover is excited to invite the public to view our newly finished model suites between **April 1 to April 10, 2019**.

Spring Village at Dover is a new 56-bed assisted living community specializing in memory care, conveniently located in the developing Pointe Place neighborhood of Dover. Woodbine Senior Living, LLC, a management and development company with over 40 years of experience in the senior living arena, has designed Spring Village at Dover as a model community for seniors living with the challenge of dementia. The community will be a safe, supportive environment where residents will be attended to by a uniquely qualified staff of serving hearts who understand the importance of treating Residents like family.

Beginning on Monday, April 1, 2019, and running through April 10, 2019, the public is welcome to drop-in between the hours of **11 a.m. and 6 p.m., weekdays, and 10 a.m. to 2 p.m. on Saturday and Sunday**, and tour a few of our furnished model suites. We ask that you start your tour at our temporary marketing trailer where you will be greeted by our team and enjoy some refreshments. One of our team members will then escort you to the models and answer any questions you have.

Executive Director, Amanda Gallagher, summed up the feelings of the whole Spring Village at Dover team when she said, "I'm looking forward to sharing not only our beautiful new models, but our philosophy of caring with our friends and neighbors."

Spring Village at Dover is located at 35 Pointe Place, Dover. We are now accepting applications for our wait list in anticipation of a late Spring opening.
