May 2019

OUR DIRECTOR TEAM IS COMPLETE AND READY TO SERVE YOU

Spring Village at Dover is excited to announce that our Director Team is complete and we are ready to make sure that our residents have everything they need. Many of you have already met *Amanda Gallagher*, Executive Director; *Donna Anderson*, Business Office Manager; *Natalie Hanson*, Concierge; *Maria Sherman*, Director of Community Relations; and *Jacki Brewster*, Memory Care Program Director. We would like to introduce you to the people who will make our team whole:

Allison Sullivan-Smith joins Spring Village at Dover as the Director of Nursing. A graduate of St. Joseph's School of Nursing and a third-generation nurse, Allison has been a practicing nurse for over 25 years. She brings an extensive background in Long Term Care, Assisted Living, Memory/Dementia care, and Hospice. Working in the field of geriatrics gives Allison great pleasure, as she says she, "appreciates the opportunity to make a real difference in the life of individuals and their families."

Nicholas Griffin joins the team as the Maintenance Director. Nick is pleased to be back with Woodbine Senior Living, LLC, having worked with them in the past as the Maintenance Director for their community in Rye, NH. He has worked in various areas of property maintenance since 1998, and is also a member of the Strafford County Board of Realtors. Nick tells us he, "welcomes the opportunity to create a 'culture of enthusiasm.'"

Rob Caron completes the team as the Dining Services Director. Rob's gift is feeding people. He has expressed his eagerness "to make our residents happy through special treats and meals that will provide them with the comforts of home." Rob began working in restaurants and kitchens while still in his teens. Over the years, he has worked in a variety of kitchens as well as spending many years catering weddings, birthdays, and other functions. Most recently, Rob spent eight happy years at the Gafney Home in Rochester.

Spring Village at Dover welcomes our newest staff members and looks forward to creating a team that will work together to create a wonderful home for our residents.

A person's most useful asset is not a head full of knowledge, but a heart full of love, an ear ready to listen and a hand willing to help others

Community Connections

Spring Village at Dover is committed to partnering with a local non-profit agency each month as our way to give back to our community. We would like to thank *Community Action Partnership of Strafford County* for allowing us to hold a food drive throughout the month of April for the *Dover Outreach Pantry*. If you missed the opportunity to donate, we encourage you to contact the Pantry at 577 Central Avenue, Suite 10, Dover, (603) 435-2500, open every weekday (except Thursday) from 9 a.m. to 3 p.m.

During the month of May, Spring Village at Dover will be collecting items for the *Homeless Center for Strafford County (HCSC)* which provides community members and families with shelter, case management, and educational programs that lead to self-sufficiency and permanent housing. The center is in need of kitchen items, paper goods, office and household items. Contact us for information about their wish list or stop by Spring Village at Dover with your donation. Thank you for helping us help our community.
